AUGI Country Chapters Join AUGI International Assembly

Today was a day of solidarity for Autodesk User Group International. During extensive meetings with the AUGI International Board of Directors, an International Assembly has been created to represent the interests of all AUGI members worldwide.

Working in the best interests of members, the Country Chapter representatives and the AUGI International Board of Directors agreed to move forward with the creation of an International Assembly. The purpose of the International Assembly is to allow each country chapter a representative.
